DEGREES AND QUALIFICATIONS

- MD, Karolinska Institutet, 2009
- PhD, Experimental Pathology, Karolinska Institutet, 2009: Experimental therapeutics against malignant mesothelioma: investigations in vitro. Full text: KI Open Archive [\[link\]](#)
- Associate Professor (Docent), Karolinska Institutet, 2021

EMPLOYMENT AND APPOINTMENTS

- Military service in the mounted band of the Royal Lifeguard Dragoons, 2002
- Prosector, Department of Pathology, Karolinska University Hospital, 2005-2006
- Junior physician, geriatric and cognitive medicine, Karolinska University Hospital, 2010
- Postdoctoral Researcher, Karolinska Institutet, Department of Clinical Neuroscience, 2010-2011
- Visiting Postdoctoral Fellow, Donders Institute of Cognitive Neuroimaging, 2012
- Postdoctoral Researcher, Stockholm University, Stress Research Institute, 2012-2014
- Associated Postdoctoral Fellow, Karolinska Institutet, Department of Clinical Neuroscience, 2012-2014
- Researcher, Stockholm University, Stress Research Institute/Department of Psychology, 2014-
- Associated Researcher, Karolinska Institutet, Department of Clinical Neuroscience, 2014-2021
- Visiting Scholar, Stanford University, Department of Psychology, 2017
- Data Domain Specialist, Karolinska Institutet/Swedish National Data Service, 2017-2023
- National Coordinator of Data Domain Specialists, Swedish National Data Service, 2019-2023
- Visiting Fellow, QUEST Center, Berlin Institute of Health, Charité - Universitätsmedizin Berlin, 2020-2021
- Researcher, Karolinska Institutet, Department of Clinical Neuroscience, 2022-
- Visiting Scientist and Affiliate, Stanford University, Meta-Research Innovation Center at Stanford (METRICS), 2023-
- Senior Advisor, Swedish National Data Service, 2024-

SUPERVISION OF PHD STUDENTS

- Supervised students:
 - Michael Ingre, Stockholm University 2017, co-supervisor. Thesis: *P-hacking in academic research: a critical review of the job strain model and of the association between night work and breast cancer in women.* [\[link\]](#)
 - Sandra Tamm, Karolinska Institutet 2019, co-supervisor. Thesis: *A neuroimaging perspective on the emotional sleepy brain.* [\[link\]](#)
 - Eva Hesselmark, Karolinska Institutet 2019, co-supervisor. Thesis: *Pediatric acute neuropsychiatric syndrome : diagnosis, biomarkers and treatment.* [\[link\]](#)
 - Hannibal Ölund Alonso, Karolinska Institutet 2017-, co-supervisor.

RESEARCH GRANTS

- Swedish Heart and Lung Foundation, 2005-2009, five grants for a total of 24 months of PhD student scholarships (grants no. 20051024, 20060003, 20070042, 20070209, and 20090797)
- Swedish Society for Medicine, 2011, 12 months postdoctoral scholarship
- Svensk Förening för Sömnforskning och Sömnmedicin, 2013, scholarship, 10 000 SEK
- Fredrik och Ingrid Thurings stiftelse, 2014, project grant, 125 000 SEK, grant no. 2014-00037
- Riksbankens Jubileumsfond, 2015, 3-year project grant, 4 053 000 SEK, grant no. P15-0310:1 [swecris \[link\]](#)
- Fredrik och Ingrid Thurings stiftelse, 2015, project grant, 50 000 SEK, grant no. 2015-00170
- Swedish Medical Association, 2016, project grant, 50 000 SEK
- Rut och Arvid Wolff memorial foundation 2019, 121 500 SEK, grant no. 2019-01734
- Karolinska Institutet Research Foundation Grant, 2020, 86 000 SEK, grant no. 2020-01412
- Rut och Arvid Wolff memorial foundation, 2020, 121 500 SEK, grant no. 2020-02419
- Riksbankens Jubileumsfond, 2021, 3-year project grant, 4 159 000 SEK, grant no. P21-0384 [swecris \[link\]](#)
- Region Stockholm, 2021, 3-year project grant, 2 000 000 SEK, grant no. FoUI-967372

- Horizon Europe, 2022, affiliated partner in project "Skills4EOSC", 3-year project grant, 4.5 person-months. [CORDIS \[link\]](#)
- FTX Future Fund, 2022, 50 000 USD, committed but never disbursed
- Horizon Europe Marie Skłodowska-Curie Action "NAPS", host/supervisor to 2-year postdoc grant. [CORDIS \[link\]](#)
- Horizon Europe, 2023, partner in project "Improving Reproducibility in Science (iRISE)", 3-year project grant, 21 person-months. [CORDIS \[link\]](#)
- Horizon Europe Marie Skłodowska-Curie Action "ICTR", host/supervisor to 2-year postdoc grant. [CORDIS \[link\]](#)
- Horizon Europe, 2024, partner in project "IP4OS Unpacking the possibilities of Intellectual Properties for Open Science", 2-year project grant, 27 person-months. [CORDIS \[link\]](#)
- Svenska sällskapet för medicinsk forskning, 2025, host/supervisor to 3-year postdoc grant. [SSMF \[link\]](#)
- Vinnova, 2025, 1-year project grant, 994 152 SEK. [swecris \[link\]](#)

TEACHING

- Teaching in the form of lectures, seminars, lab exercises, clinical supervision, and written and oral examination in the study programmes for medicine, dentistry, biomedical science, nursing, psychology, medical informatics, and nutrition, all at Karolinska Institutet, in the study programme for molecular cell biology, Södertörn University College, in the study programme for psychology, Uppsala University, and in the master's programme in Public Health at Stockholm University.
- Course assistant (amanuens):
 - Pathology for dentistry students, Karolinska Institutet 2005
 - Pathology for medical students, Karolinska Institutet 2005
 - Cognitive neuroscience with applications in psychiatry, Karolinska Institutet 2011-2012
- Course leader:
 - Introduction to brain imaging, PhD course, Karolinska Institutet 2014
 - Cognitive neuroscience, elective course for medical students, Karolinska Institutet 2014-2015
 - Ethics, Open science, and Reproducible research, PhD course, Stockholm University 2016-2018. [Course materials: osf.io/ct9ad/](#)
 - Open science and Reproducible research, PhD course, Karolinska Institutet 2017-2023. [ki.se](#). [Course materials: osf.io/gxbqs/](#)
 - Scientific Illustration and Visualization, PhD course, Karolinska Institutet 2023-
- Director of postgraduate studies (studierektor), Stress Research Institute, 2014-2019
- Supervisor to student thesis work:
 - Semra Öz, Bachelor thesis in biomedical science, Karolinska Institutet, 2006: Undersökningar av experimentella cyto-statika mot malignt mesoteliom (co-supervisor)
 - Adam Szulkin, Summer research school in biomedical science, Karolinska Institutet, 2006: Phenotypic differences of Malignant Mesothelioma cells in sensitivity to Gemcitabine and Alimta
 - Filip Mundt, Summer research school in biomedical science, Karolinska Institutet, 2006: Investigations of the Cytotoxicity of Carboplatin against Malignant Mesothelioma Cells and the Effects in Combination with Selenite
 - Sandra Tamm, Degree project in medicine, Karolinska Institutet, 2010: Farmakologisk modulering av empati, ett beteen-deförsök om effekterna av oxazepam – ett anxiolytiskt bensodiazepinpreparat – på empatiska responser
 - Philip Little, Degree project in medicine, Karolinska Institutet, 2011: Effects of Midazolam and Flumazenil on Empathic Response – an Exploratory Study
 - Madeleine Hedlund, Elective essay in psychology, 2015: The relationship between IL-6 and sleep – a meta-analysis
 - Sahand Sharifzadeh, Degree project in medicine, Karolinska Institutet, 2016: The influence of maternal depression during pregnancy on neonatal fiber tract integrity [openarchive.ki.se/xmlui/handle/10616/45432](#)
 - Erika Unsbo, Degree project in medicine, Karolinska Institutet, 2017: Motor abnormalities among children with PANS and/or PANDAS. doi: [10.6084/m9.figshare.4584034.v2](#)
 - Malin Blomberg, Degree project in medicine, Karolinska Institutet, 2017: Visuospatial ability in children with PANDAS and PANS. doi: [10.6084/m9.figshare.4591657.v1](#)
 - Arian Jafari and Bo Jenner, Degree project in psychology, Karolinska Institutet, 2017: Ethical review board-approved protocols and intent to use open practices in research on human subjects in Sweden. [osf.io/vgbw2](#)
 - Alia Lellouchi, Degree project in medicine, Karolinska Institutet, 2017: Cognitive and motor function in children with suspected PANS/PANDAS.
 - Daniel Samsami, Degree project in medicine, Karolinska Institutet, 2017: Activation of ventral striatum during anticipation of reward – A pilot study using functional magnetic resonance imaging for a future experiment about psychopathy. doi: [10.6084/m9.figshare.5005238.v2](#)
 - Jakob Berefelt, Degree project in medicine, Karolinska Institutet, 2017: Activation of Anterior Insular Cortex and Anterior Medial Cingulate Cortex Associated with Direct Pain Perception and Empathy for Pain. doi: [10.6084/m9.figshare.5084557.v1](#)

- Fredrik Hannfors, Degree project in medicine, Karolinska Institutet, 2017: Associations between Empathy for Pain, Emotional Mimicry and Emotional Contagion - Indicative Evidence from fMRI and EMG Paradigms. doi: [10.6084/m9.figshare.5307361.v1](https://doi.org/10.6084/m9.figshare.5307361.v1)

- Sofie Emilson, Degree project in medicine, Karolinska Institutet, 2024

AWARDS

- Open Data Champion, SPARC Europe, 2017. openscholarchampions.eu/opendata/champion/dataforevidence/ [link]
- Natur & Kulturs populärvetenskapliga arbetsstipendium, 2018. nok.se [link]
- British Neuroscience Association Credibility in Neuroscience Prize, 2023, awarded to the EEGManyLabs project. www.bna.org.uk/mediacentre/news/credibility-prize-2023/ [link]

PHD THESIS COMMITTEE MEMBER / FACULTY OPPONENT

- University of Copenhagen, Tarang Sharma: Effects of selective serotonin reuptake inhibitors (SSRIs) and serotonin-norepinephrine reuptake inhibitors (SNRIs) on suicidality, violence, and quality of life. 2018-04-23.

ACADEMIC COMMISSIONS OF TRUST

- Member of committee for research and education (FoUU-kommittén), Karolinska University Hospital, 2005 (Student representative)
- Member of steering group for Karolinska Institutet Cancer network, 2004-2005 (Student representative)
- Speech writer to Karolinska Institutet president Harriet Wallberg-Henriksson, 2005-2007, with Carl Savage
- Member of Biotermgruppen, (Swedish Committee for Terminology in the Biomedical Sciences) 2010-, Vice president 2011
- Organiser, IgNobel tour events in Stockholm, yearly 2012-
- Co-founder of Nätverket för evidensbaserad policy (Swedish Network for Evidence-Based Policy) 2015, President 2016-2017, 2019-
- Organizer of Imaging the Sleepy Brain symposium, Karolinska Institutet 2014, with Torbjörn Åkerstedt ki.se Abstracts: idear-net
- Ambassador for the Center for Open Science
 - Participated in the Mozilla Festival 2014, London, UK
- Chairperson of the Committee for Badges for open practices, Center for Open Science, 2014-2017
- Organiser, Lecture series in collaboration with the Swedish Network for Psychedelic Science, Karolinska Institutet 2016
- Member of programme committee, SUHF conference on open science 2017
- Co-organiser of Stockholm BrainHack 2017 with Malin Sandström and Anders Eklund
- Member of Steering Committee for Thesis Commons

- Member of programme committee, Engaging Researchers in Good Data Management - A one-day conference sharing fresh ideas and good practices for creating and promoting effective research data practices, Cambridge 2017.
- Member of committee for evaluation of open access mandates, National Library of Sweden, 2017-2018. Report (in Swedish): kb.se
- Member of committee for the Data Engagement Management Award, 2018.
- Member of Research Data Office project team, Karolinska Institutet, 2018-2023
- Member of steering group for International Neuroinformatics Coordinating Facility Swedish Node, 2018
- Co-organiser of Stockholm BrainHack 2018 with Malin Sandström
- Member of editorial advisory board, Curie (Journal of the Swedish Research Council), 2018-2019
- Member of Research Data Alliance COVID-19 Clinical Working Group
- Representative of Karolinska Institutet to the European Open Science Cloud Association, 2021
- Member of national reference group for open research data, Swedish Research Council, 2021-
- Member of committee for a strategy beyond transformative deals with scientific publishers, The Association of Swedish Higher Education Institutions, 2021-2023
- Member of committee for implementing a national open science road map, The Association of Swedish Higher Education Institutions, 2021-2022
- Co-chair of Task Force for Research Careers, Credit, and Recognition, European Open Science Cloud Association (EOSC-A), 2021-2023
- Member of committee for research assessment in hiring and promotion, The Association of Swedish Higher Education Institutions, 2022-2024
- Member of EOSC-Future & Research Data Alliance Artificial Intelligence & Data Visitation Working Group, 2022-2023
- Member of Karolinska Institutet Open Science Working Group, 2022-
- Reviewer for scientific journals, books, and conferences:
 - International Journal of Cancer
 - Cancer Epidemiology, Biomarkers, and Prevention^{WoS}
 - BMC Cancer
 - British Journal of Cancer^{WoS}
 - Journal of Hematology and Oncology^{WoS}
 - Science Translational Medicine
 - Brain, Behavior, and Immunity^{WoS}
 - PLOS One^{WoS}
 - Scandinavian journal of Psychology^{WoS}
 - F1000 Research* (open peer review reports listed below)
 - Organization for Human Brain Mapping 2017
 - American Psychologist^{WoS}
 - Sleep Medicine Reviews^{WoS}
 - Journal of Inflammation Research^{WoS}
 - Organization for Human Brain Mapping 2018
 - Translational Psychiatry^{WoS}
 - SLEEP^{WoS}
 - Human Brain Mapping^{WoS}
 - Molecular Psychiatry^{WoS}
 - Meta-Psychology
 - Systematic Reviews^{WoS}
 - Psychiatry Research: Neuroimaging^{WoS}
 - European Sleep Medicine Textbook (Second Edition)^{WoS}
 - Royal Society Open Science^{WoS}
 - Meta-Psychology
 - The Review of Psychology

Verified in Web of Science (Reviewer Recognition Service, ID: 1550920)

- Reviewer for scientific grants:
 - Horizon 2020 Marie Skłodowska Curie 2017
 - Horizon 2020 Marie Skłodowska Curie 2018
 - Horizon 2020 Marie Skłodowska Curie 2019
 - Horizon 2020 Marie Skłodowska Curie 2020
 - SPOKES Wellcome Trust Funded Translational Partnership Fellowships 2020, Berlin Institute of Health
 - Horizon 2020 Future and Emerging Technologies (FET) Open 2020

- Horizon Europe Marie Skłodowska Curie 2021
- Norrsken Mind Foundation 2022
- ACX grants 2023
- ALF Region Skåne 2024
- Reviewer for scientific prizes
 - British Neuroscience Association Credibility in Neuroscience Prize, 2024
- Reviewer of nonfiction books and book proposals
 - Fri Tanke Förlag
 - Elsevier
 - SAGE Publications
- Guest editor of special issue of the Swedish Medical Journal on metascience, "Medicinsk forskning i fågelperspektiv", with Cathrine Axfors and Emmanuel Zavalis, 2023. lakartidningen.se/tag/tema-medicinsk-forskning-i-fagelperspektiv/

OTHER COMMISSIONS OF TRUST

- Association of Swedish School Student Unions (Elevorganisationen i Sverige, now Sveriges Elevkårer)
 - Elevorganisationen Stockholms Län, board member and treasurer, 1999-2000
 - Elevorganisationen i Sverige, board member and coordinator for international cooperation, 2000-2001
 - Elevorganisationen Stockholms Län, auditor, 2001-2002
- Organizing Bureau of European School Student Unions (OBESSU)
 - Member of conference steering group "Languages in School", 2001
 - Member of Internal Auditors' Commission, 2001-2005
 - Advisor to the Board, 2005-2007
- Medical Students' Association at Karolinska Institutet (Medicinska Föreningen)
 - Medical Students' Section, secretary, 2003
 - Business committee, member 2003; president 2004
 - Council (Kårfullmäktige), member 2003-2004
 - Board, member 2004
- Students' Association of the Swedish Medical Association (Medicine Studerandes Förbund, now Läkarförbundet Student)
 - Stockholm branch, board member 2003-2006
 - Stockholm branch, vice president 2005
 - National board, member 2003-2005
 - Swedish Medical Association collective bargaining delegation (Förhandlingsdelegationen), 2004-2006
- Högskolerestauranger AB, board member, 2005-2006
- Stiftelsen Stockholms Studentbostäder (SSSB), board member, 2006
- Swedish Association for Sexuality Education (RFSU)
 - RFSU Stockholm, board member, 2010
 - RFSU Stockholm, president, 2011
 - RFSU Stockholm, auditor, 2013-2018
 - RFSU Researchers' Network, founding member, 2013-2018
- Nya Moderaterna: Medlem i arbetsgrupp för reformer, 2016-2017
- Swedish network for Evidence-Based Policy, founding member 2015, president 2018-
- Advisory Board, DeSci Foundation
- Advisory Board, NEKO Health
